FOR IMMEDIATE RELEASE:

Writing Wider, Exercises in Creative Writing

Igniting Creativity With Wide Strokes

Since 2000 Billie A Williams has been *Writing Wide* and following her own advice with Thirty-four published books to her credit. It can work for you too.

Writing Wider, More Exercises in Creative Writing, released June 23, 2010

by Billie A Williams - Author of the #1 bestseller "*Money Isn't Everything*"

Now available for immediate download from Magellan Books.

☆☆☆☆☆ Magellan Gold Edition* Magellan Gold denotes a manuscript of superior quality, written to a professional standard by an accomplished author.

"From the author of *Writing Wide - Exercises in Creative Writing*, comes another fascinating and insightful book about the writing process. Think Natalie Goldberg meets Mary Higgins Clark and you have some idea of Billie A Williams' prowess as an author, writing educator and inspiration," Rob Parnell, Owner of Easy Way To Write and Magellan Books Publishing.

From the Wide Arctic Tundra to the Wide Pacific Ocean or the Wide Path to the world of writing Williams shares information, insight, and investigation into the craft of writing using wide metaphors to nudge your muse into creating fiction, non-fiction and more that you will be proud to sign your name to. If you are wanting a writing career or you already are a published author you will find something to ignite your creativity and get you on the wide path to publishing success.
